Chizuru and Hijikata: Can You Feel the Love Tonight?

Souji and Saitou were wondering where in the world their vice commander was. While they were walking they saw Chizuru holding a tray of tea. Souji grabbed Saitou's hand so they could hide behind the walls and eavesdrop on Hijikata and Chizuru.

"Souji should we be doing this?" Saitou questioned his best friend's motives behind this ridiculous scheme. Souji made a Cheshire cat grin, and said "They'll fall in love tonight." Souji finished his statement.

Chizuru's POV

I walk into Hijikata-san's in the middle of the night to give him his tea. As I quietly open the door, I find him working hard as ever with the paper work for the Shinsengumi. I always did make sure he would eat, and take a good rest, even if it did unnerve him, but I won't stop so because I-

'It's not like thatâ€¦but-'ah who am I fooling? Then I put the tea down next to Hijikata-san, then as I was about to take my leave, I felt a rough hand wrapping around my wrist, and before I was about to pinch myself dreaming, I heard his deep
voice.

"Chizuru."

Hijikata's POV

Why does my heart melt, every time I see her face? No doubt she's extremely beautiful; I want to open up to her. 'So many things to tell her, but how to make her see the about my past, Impossible she'd turn away from me.' I look to my side, as she puts my tea down. I use this opportunity to get a good view of her face, porcelain skin, and beautiful chocolate brown orbs, looking down, hazelnut brown hair, her face is bright as the moon, when she stands up, I see her put her head down and makes an attempt to leaveâ€¦No I'm going to make her know that I truly do love her.

I grab her wrist in my hand and as she gazes into my eyes all I was able to say was...

"Chizuru."

No POV

'He's holding back, he's hiding, but what I can't decide, why won't he be the king I know he is, the king I see inside?' Chizuru thought, he was so good in handling the Shinsengumi, she wants to tell him how she really feels. Her heart pumps every minute, she's next to him. No doubt he is very handsome man. But Chizuru doesn't think she's beautiful at all.

Realizing that their alone, Chizuru blushes, well at least they thought. Hijikata smirked at her. When their hands met, Chizuru couldn't trust herself to speak, so she let her bangs cover her face, and looks down to the floor pretending to be interested in it.

'Enough already.' Hijikata thought irritated, he wasn't going to waste any more time. So he says...

"Chizuru I love you"

Blush

stare

Blush, blush

stare

almost faints

***catches her* in his big strong arms.**

"Hijikata-san I love you too." smiles sweetly at him. Smirk (Hijikata..duh)

Both of them stand up, look intently in each other's purple or brown, come closer and closer until lips finally meet, like two missing puzzle pieces connected.

Outside

"What did I say? They did fall in love." Okita smirked

Saito just rolls his eyes, and they both decide to leave the couple alone.

The End

Author's Note: Well what did you guys think? Again I'm sorry if it's horrible, I just hope you all liked it. Sayonara: Ani :)
